

Duette® Shades

Filtering light and insulating your home all year round

Luxaflex®

NATURE INSPIRED PATTERNS

For nature lovers our new Batiste Soria fabrics feature a delicate hand drawn leaf design in a range of subtle colours, to grace any room and window.

The ultimate window shade

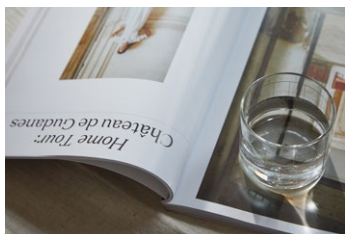

Stylish Duette® Shades and nature work hand in hand. By enhancing the light and keeping your home warmer in winter, cooler in summer, and insulated all year round, Duette® Shades help make your home more sustainable.

Crafted to your individual requirements and style preferences, Duette® Shades have a bespoke look with premium design quality and superb craftsmanship.

ECO FRIENDLY FABRICS

The responsible fabrics we use in Duette® Shades are Cradle to Cradle Certified®. This means when you buy a Cradle to Cradle Certified® product you can make a responsible choice for your family as the products are made without exploiting nature. For our Duette® Shade fabrics certified with the OEKO-TEX® 100 standard, no harmful chemicals have been used in the production process, so harmless for human health.

LUXURIOUS FABRICS AND COLOURS

Our designers took their inspiration for the new collection from the latest colour and design trends for interiors.

In our beautifully curated fabric range you will find hundreds of exciting fabrics, patterns and colours to work with your individual style.

From warm earthy shades to soft whites and sandy tones, you will find on-trend and timeless styles too. When it comes to colour direction in your home, there are endless ways to mix Duette® Shades patterns, colours and textures in a coordinated style.

SOFT TOUCH FABRICS

Inspired by natural stone patterns, our new soft touch structures work with any interior style with elegant colour combinations.

A TOUCH OF GLAMOUR

The new metallic designs add a touch of glamour to any room with shimmering look fabrics that gently sparkle as the light moves across the window.

BEAUTIFUL LIGHT CONTROL FOR EVERY ROOM

Whatever your practical needs, Duette® Shades fabrics will help you control the light beautifully with a choice of transparencies. From room darkening bedroom fabrics to durable looks for bathrooms or sheer styles for the living room, there is a stylish option for every room, light control, or privacy need. You can even combine a room darkening and sheer fabric in one shade with our Duette® Shades Day & Night solution.

ROOM DARKENING - LIGHTLOCK™

Getting the light right is an essential element for comfortable living. We created Duette® Shades with LightLock™ - the ultimate room darkening solution. When combined with room darkening fabrics this special design absorbs or deflects

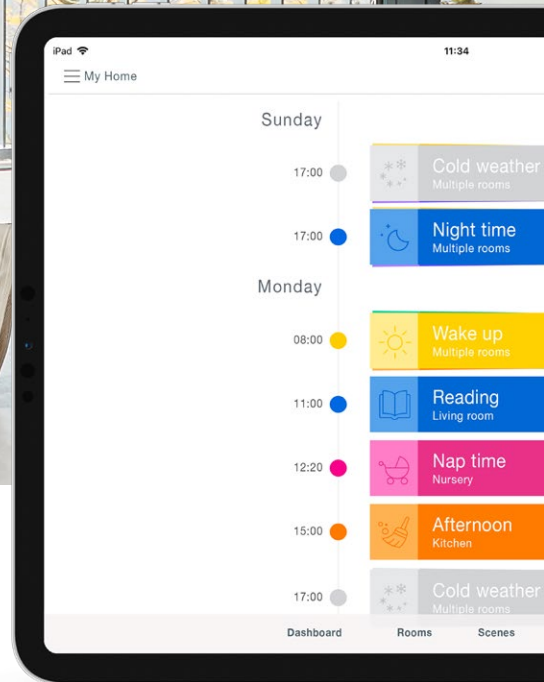

nearly all the incoming light. From getting a good night sleep to playroom naps. Duette® Shades with LightLock™ is the only product of its kind that offers this level of room darkening.

SMART HOME CONTROL POWVIEW® AUTOMATION

Our PowerView® Automation system lets you schedule your Duette® Shades to open, close or adjust on their own, at any time of the day or night. Using an app, remote control, or the sound of your voice you can enjoy perfect light and privacy, energy efficiency and everyday convenience - delivered automatically with PowerView®.

Best of all you can connect PowerView® to your existing smart home system including Google Assistant, Apple HomeKit, Amazon Alexa and more, to create a personalized, whole-home solution.

DESIGNED WITH SAFETY IN MIND

We consider child safety a top priority. Making child safe products for homes is an integral part of our design philosophy. From effortless manual controls to fully smart home automated systems, Luxaflex® offers many innovative lifting systems designed with safety, comfort and style in mind.

LITERISE®

A minimalist's dream, our LiteRise® system makes raising and lowering your Duette® Shades easier than ever. Simply push up to raise or pull down to lower, and your Duette® Shades stay exactly where you place them.

SMARTCORD®

The award-winning Luxaflex® SmartCord® uses a retractable cord that always stays the same length when you open or close your Duette® Shades.

QUICK RELEASE CHAIN

This chain operation is easy to use. If any force is applied to the chain the quick release function is activated and the chain safely drops out. The chain can be snapped back into place easily.

NO DRILL SOLUTIONS FOR WINDOWS AND DOORS

FRAMEFIX™

Ideal for plastic and aluminium frames or Tilt & Turn windows, our FrameFix™ system fixes Duette® Shades in the window with a sleek frame without drilling the window. Easy to remove to clean the windows, FrameFix™ is also available in Top Down / Bottom Up for flexible light and privacy control.

TRUFIT®

TruFit® is an advanced way of installing Duette® Shades directly on the glass without the need for drilling. It is an easy to operate Top Down / Bottom Up system and ideal for Tilt & Turn windows and doors, but also for standard windows.

TILT & TURN WINDOWS

Do you have a Tilt & Turn window? No problem, our tensioned designs keep the shade nicely in place whilst tilting, opening or closing the window. By using a rechargeable battery Powerview® Automation is also available for Tilt & Turn windows.

PERFECT SOLUTION FOR SLIDING DOORS

Luxaflex® Duette® Shades offer the perfect solution for sliding doors. The easy to use Top Down / Bottom Up model with tensioned cords, keeps the shade nicely in place while the smart handle lets you move the shade to any position.

At Luxaflex® our window treatments start with great design. Light control, energy efficiency, and the convenience of motorisation are just some of the innovations that enhance the beauty of every room, every day – made to measure with a five-year guarantee.
