

Vertical Blinds

Elegant simplicity for larger windows

Luxaflex®

Luxaflex® Design and Craftmanship

Luxaflex® Vertical Blinds are crafted with precision to your individual specification and lifestyle. From exclusive materials to smooth operation, you'll experience premium design quality with durability and style.

THE LATEST LOOKS

Our designers took their inspiration from the latest interior trends to bring you exciting colours and textures with contemporary and timeless style to compliment your home.

**MADE WITH RECYCLED OCEAN PLASTIC:
GREENSCREEN SEA-TEX® NXT**

Our latest fabric innovation, GreenScreen Sea-Tex® NXT, is the world's first window treatment fabric made from 50% recycled ocean plastic. Good for your home and the environment.

IMPROVE YOUR HOME'S ACOUSTICS

Enjoy enhanced peace and quiet with our luxurious acoustic fabrics - Riff and Sedna - designed to improve your rooms interior acoustics by absorbing ambient noise and reverberations.

SUSTAINABLE LIVING

We care about the environment. Our window treatments help manage heat and light at the window, making your home more energy efficient and sustainable. The responsible materials we use include Cradle to Cradle Certified™ fabrics and materials. This internationally recognised certification acknowledges the continuous improvement and innovation of products and processes.

ALUMINIUM WITH A WARM FEEL

Our new Pure Sense range features the latest trend colours in super matt finish and with smooth touch. Choose from a wide range of colours and finishes in a sleek design that's perfect for modern interiors.

DURABLE PVC LOOKS

Ideal for kitchens and bathrooms, our PVC vertical blinds feature waterproof and easy clean characteristics that can withstand heat, humidity and stains with a wide range of stylish designs to choose from.

DESIGN OPTIONS

For an ultra-modern look, choose our sealed-in bottom plate design that also eliminates the need for stabilising chain links along the bottom of the vertical blind. This creates an even sleeker look and is ideal for high traffic windows or doorways where children and pets might be moving through.

Personalise your blind by combining a plain fabric colour with a patterned fabric in the same colour. Or add a special finishing touch with a coloured headrail in black, white, brown or aluminium, for an extra distinctive look.

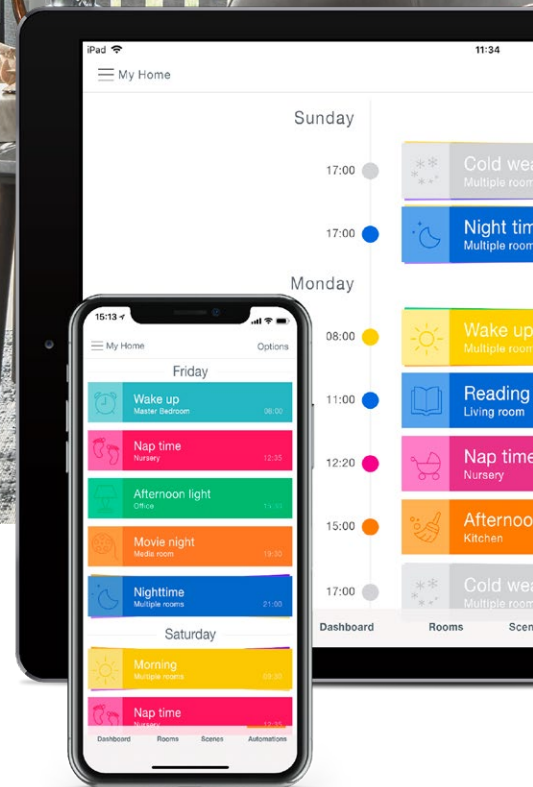

UNUSUAL SHAPES

Don't worry about shaped windows as Luxaflex® Vertical Blinds can be crafted to fit angled windows, bay windows and window sections with unequal heights.

POWerview® AUTOMATION

Our award-winning smart home system operates with Apple Home Kit, Amazon Alexa, Google Home, Nest and many more, or as a standalone App or controller. You can use it to help wake you up, improve security or change the mood - automatically. With an intuitive digital interface and controllable from your smart device, your fabric Luxaflex® Vertical Blinds can now be part of your intelligent home.

OPERATION OPTIONS

From manual wand control to motorised options there are many ways to enjoy simple, smooth and child safe operation of your Luxaflex® aluminium, PVC or fabric Vertical Blinds.

DESIGNED WITH SAFETY IN MIND

We consider child safety a top priority. Making child safe products for homes is an integral part of our design philosophy. From effortless manual controls to fully smart home motorised systems, Luxaflex® offers many innovative lifting systems designed with safety, comfort and style in mind.

At Luxaflex® our window treatments start with great design. Light control, energy efficiency, and the convenience of motorisation are just some of the innovations that enhance the beauty of every room, every day – made to measure with a five-year guarantee.

The Art of Window Styling
