

Plissé Shades

Uniquely decorative, with a shape that suits your style

Luxaflex®

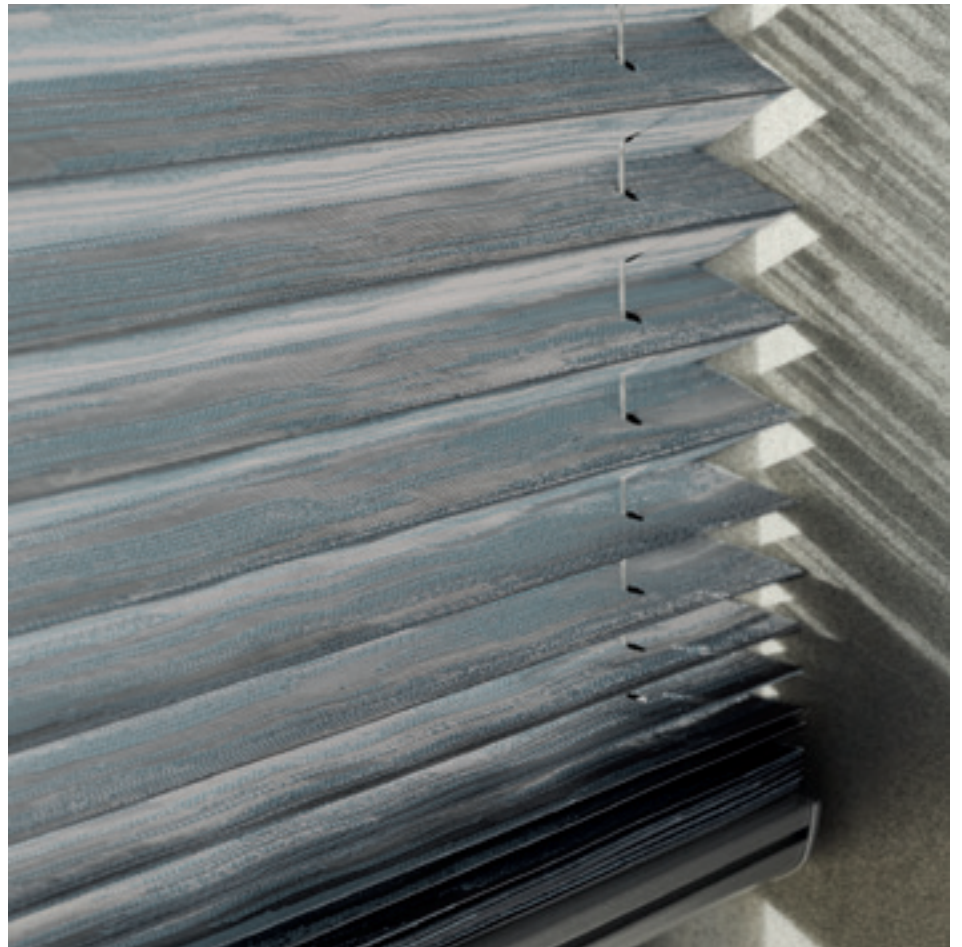

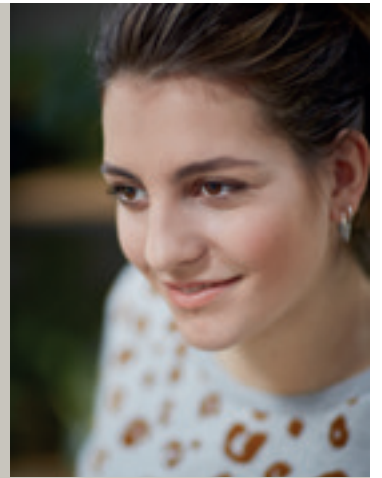

Plissé Shades

Visually versatile

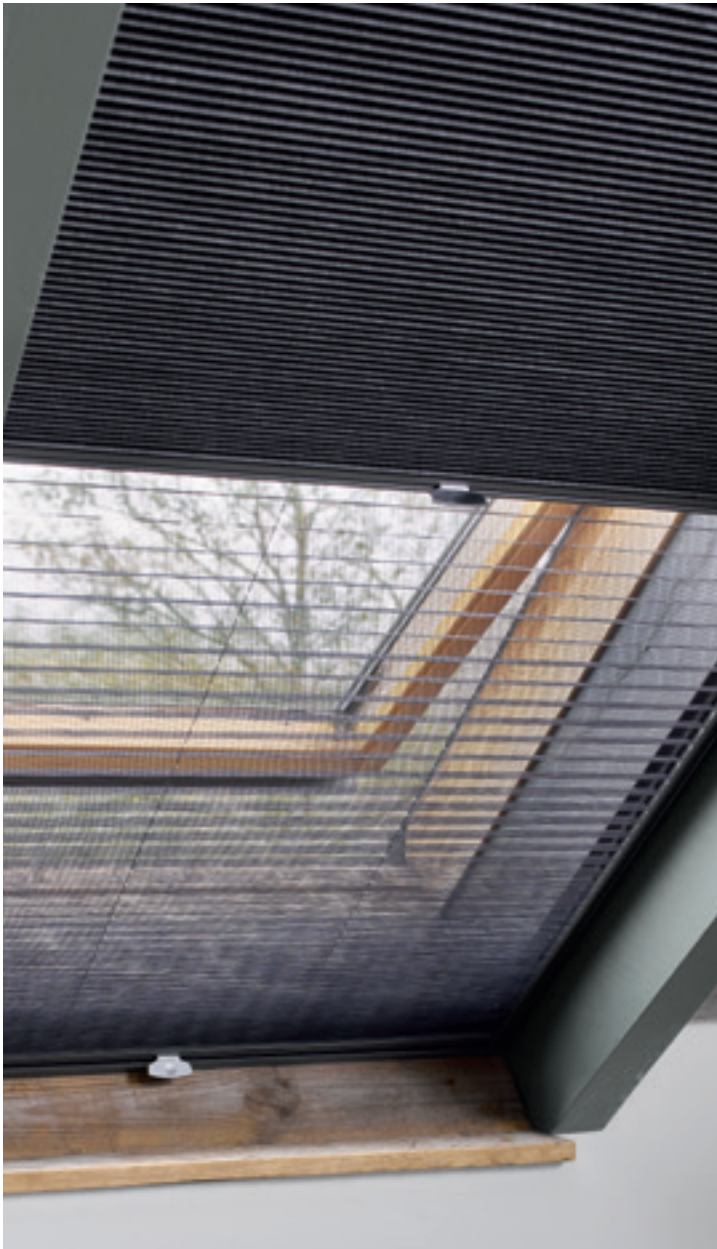

At Luxaflex® we appreciate the demands of today's homes, and just how unique those demands can be. It's this variety of window shapes, light control, privacy needs and your personal style, that influenced our exciting new range of Plissé Shades. From crisp, minimal white to strong colourful on trend Ikat designs, Plissé Shades can be a discreet, refined backdrop or a bold focal point for your home.

Sustainable fabrics

Our new Plissé Shades collection features over ninety beautiful and sustainable fabrics that are Cradle to Cradle Certified™. This certification means you can make a responsible choice for your home and family. A wide selection of Plissé Shades fabrics are made from recycled material to help support the environment.

NEW Melby screen fabric

Our new 20 mm Melby screen fabric is both practical and attractive providing maximum transparency to the outside view.

Melby screen fabric - Skylight Insect Screens

Luxaflex® Skylight Insect Screens are made with Melby screen fabric mounted in a discreet frame and can also be combined with 25 mm Duette® Shade or 20 mm Plissé Shade fabrics.

Benefits

- Fresh air ventilation for a more comfortable home
- Keeps your home cooler in the summer
- Ideal for bedrooms
- Easy to maintain and clean

TruFit®

Designed for the 20 mm Plissé Shades collection, TruFit® is a sophisticated way to install Plissé Shades directly onto the glass without drilling. It's a simple handle operated lifting system, ideal for Tilt & Turn windows, doors but also for standard windows.

PowerView® Automation

Imagine a world where your window treatments anticipate your needs and adjust themselves automatically, creating the perfect room ambience morning, noon and night. That's the beauty of PowerView® Automation. Just programme PowerView® to move all your Luxaflex® Shades from a single window to your entire home by using the PowerView® App on your smartphone or tablet.
