

www.luxaflex.co.uk

Child Safety

All of our products meet with the child safety requirements of EN 13120:2009+A1:2014, Internal blinds - performance requirements including safety.

Control lengths

As a requirement of the standard, the maximum control length is determined by the safety device used on the product as well as the drop of the blinds or installation height. The chart below details the maximum length of looped chain available.

Luxaflex® Connect - Easy Ordering

Luxaflex® digital ordering system "Connect": www.luxaflexconnect.co.uk is an online platform which allows you to order your Luxaflex® products 24/7, giving instant access to product specification availability.

Luxaflex® Connect benefits:

- Instant ordering, 24/7 - even when the Luxaflex® office is closed
- Final order input onto our system - no queries
- Full insight into your order history
- Luxaflex® Connect will confirm if the blind is possible to manufacture
- Instant pricing including all product surcharges, with discounts show as a value and not a percentage.
- Available on mobile devices
- Full online programme which means no installation of software is required.

Luxaflex® Dealer Portal

The Luxaflex® Dealer Portal is an extensive dealer support tool containing vast amounts of product information as well as:

- Downloadable PDF pricelists, fitting instructions, order forms,
- Child Safety information, up to date lead times, Luxaflex®
- Training Academy dates and much more.
- Easy to use and navigate, helping you find the information you need quickly.
